

**DAVID SEDARIS**  
NPR Humorist &  
Best-selling Author

With sardonic wit and incisive social critiques, David Sedaris has become one of America's pre-eminent humor writers. The great skill with which he slices through cultural euphemisms and political correctness proves that Sedaris is a master of satire and one of the most observant writers addressing the human condition today.

"Sedaris's droll assessment of the mundane and the eccentrics who inhabit the world's crevices make him one of the greatest humorists writing today."

—Chicago Tribune
